

**MEMBERSHIP HAS ITS BENEFITS!**

As an educational and artistic resource, **PRESS** strives to promote and expand letterpress printmaking and artistic networking to the Massachusetts College of Liberal Arts, North Adams, and greater Berkshire community. Focused on high-impact learning, **PRESS** aims to expand opportunities for students to create programs and activities to engage the public in the magic of letterpress.

**When you become a member of PRESS...**

- You are investing in a public art project that is revitalizing a community
- You are providing students with opportunities to further their education
- You are keeping the tradition of letterpress printing alive
